

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today, the children learned about Jesus healing the paralytic. Children learned that we can bring our friends to Jesus, just as the four men in our story worked hard to bring their friend to the Lord. There may be obstacles that we need to dig through, so our faith in the Lord will need to motivate us as we attempt to introduce our friends to Jesus. (Scripture used: Mark 2:1-12)

Memory Verse:

"Now faith is confidence in what we hope for and assurance about what we do not see." Hebrews 11:1 NIV

Practice this verse several times with your child during the week. This will not only help them remember the verse, but it will also help to reinforce what they learned during class.

Suggested Parent/Child Activity:

Good friends are worth their weight in gold. Discuss the qualities that may make someone a good friend verses a bad influence. Suggest that your child participate in activities that may help them meet friends that have these qualities (Church, Sports, Clubs). Open your home to your children's friends, get to know them and make sure they feel welcome.

Daily Prayer:

Dear Lord, thank You for caring for both our physical and spiritual needs. May the life I lead demonstrate my faith in You; may my faith in You continue to grow. Please help me be a good and trusted friend to others. In Jesus' name, I pray. Amen.
